

# Funding Module Overview

## Take Full Control of Your Program Funds

Accurately track and manage your program's financial resources from CDBG, HOME, state, and local funds with the Funding Module.

### Funding Flow

### Key Terms & Definitions

 <b>Funding Source</b>	Top-level funding origin (e.g. CDBG, HOME)	
 <b>Period</b>	Timeframe during which funds are available	<i>When the money can be used.</i>
 <b>Funded</b>	Total funds received via disbursement	<i>How much money the program has gotten so far.</i>
 <b>Budgeted</b>	Funds planned for specific budgets	<i>How much is set aside to spend.</i>
 <b>Encumbered</b>	Funds set aside for specific cases	<i>Money already committed or on hold for use.</i>
 <b>Available</b>	Budgeted but not yet encumbered	<i>Leftover money that's not assigned yet.</i>
 <b>Approved</b>	Amount approved via draws in cases.	<i>Money that's been greenlit but not spent yet.</i>
 <b>Disbursed</b>	Money actually spent or paid out.	<i>Money that's already been used.</i>
 <b>Pending</b>	Money that's been greenlit but not yet disbursed	<i>Money waiting to be spent.</i>

### Why It Matters

- Track every dollar from source to disbursement
- Ensure compliance with financial requirements
- Support better planning with real-time budget visibility
- Reduce errors in fund allocation
